

Holy Monday: Jesus Cleans the Temple

Stay with the story a bit longer by choosing one of the following Creative Responses, or maybe you have your own ideas!

- draw or paint a picture of a place your home where you feel close to God (you could use the picture frame template if you like)
- today's story opens up an important opportunity for children to reflect on anger as a positive force for justice. Have a go at drawing Jesus's face when he was angry and cleaned out the Temple (you could use the face template, if you like)
- in today's story, the leaders decide it's time to put Jesus on the cross. You could draw a cross, make a cross from twigs, or colour in one of our cross templates. We're following Jesus on the way to the cross.
